MESSA ABC with ABC Rx

Overview

- A prescription is required for each covered drug, including covered over-the-counter medications.
- You pay the full cost of your prescriptions until your deductible is fully paid. After deductible, you are responsible for prescription copayments until your out-of-pocket maximum is reached.
- Save money by using Optum Rx for home delivery of your medications.
- In most cases, if your doctor writes "Dispense as written" or "DAW," your cost will be higher.
- After your deductible is fully paid, if you take a brand name medication and a generic is available, you pay \$40 plus the difference between the approved amount and the retail cost. Your doctor may request an exception due to medical necessity.
- If the approved amount is less than the copayment, you pay only the approved amount for the drug.
- Specialty medications may be handled separately. We reserve the right to limit the initial quantity of select specialty drugs. Your copay will be reduced by one-half for this reduced initial fill. Additional fills for specialty drugs are limited to a 30-day supply and must be obtained from a retail pharmacy or by mail through AllianceRx Walgreens Pharmacy.
- Your prescription plan includes a number of money-saving features, including prior authorization, step therapy and quantity limits.
